

How do you become involved with the World Christian Tae Kwon Do Mission?

If you are interested in being a part of the World Christian Tae Kwon Do Mission, I am looking forward to hearing from you.

When I started the World Christian Tae Kwon Do Mission, I envisioned a tree, rooted in Christian faith, of which we, Tae Kwon Do Practitioners, would become the branches. Indeed I foresaw Martial Artists starting new franchises of the World Christian Tae Kwon Do Mission in countries around the world, in hope to spread the word of God using Tae Kwon Do as their tool. That is something which can be done by any Tae Kwon Do Practitioner in his or her community. You can travel to Nashville or invite me to travel to you to learn how to do that. I can teach you how to use Tae Kwon Do as an apparatus to extend Christ's message of love to those in need.

I would like for others to build branches of the World Christian Tae Kwon Do Mission in their respective countries. In time, I would like to see a branch of the World Christian Tae Kwon Do Mission in every country of the world. Through your teachings in Tae Kwon Do, you have a unique opportunity to also be a communicator of God's word. I can show anyone how the teachings of Martial Arts can parallel Christian missionary work. Through Christian Tae Kwon Do missionary work, you will help others and also strengthen the faith and the lives of your students. You will build unity and leadership amongst your students, in your community, and in the world.

Please, feel free to email me with any question that you may have. I am willing to help anyone interested in becoming involved.
